IMPORTANT NOTICE

Utah residents please be advised of the following:

NOTICE TO POLICYHOLDERS

Insurance companies licensed to sell life insurance, health insurance, or annuities in the State of Utah are required by law to be members of an organization called the Utah Life and Health Insurance Guaranty Association ("ULHIGA"). If an insurance company that is licensed to sell insurance in Utah becomes insolvent (bankrupt), and is unable to pay claims to its policyholders, the law requires ULHIGA to pay some of the insurance company's claims. The purpose of this notice is to briefly describe some of the benefits and limitations provided to Utah insureds by ULHIGA.

PEOPLE ENTITLED TO COVERAGE

- You must be a Utah resident.
- You must have insurance coverage under an individual or group policy.

POLICIES COVERED

- ULHIGA provides coverage for certain life, health and annuity insurance policies.

EXCLUSIONS AND LIMITATIONS

Several kinds of insurance policies are specifically excluded from coverage. There are also a number of limitations to coverage. The following are not covered by ULHIGA:

- Coverage through an HMO.
- Coverage by insurance companies not licensed in Utah.
- Self-funded and self-insured coverage provided by an employer that is only administered by an insurance company.
- Policies protected by another state's Guaranty Association.
- Policies where the insurance company does not guarantee the benefits.
- Policies where the policyholder bears the risk under the policy.
- Re-insurance contracts.

- Annuity policies that are not issued to and owned by an individual, unless the annuity policy is issued to a pension benefit plan that is covered.

- Policies issued to pension benefit plans protected by the Federal Pension Benefit Guaranty Corporation.

- Policies issued to entities that are not members of the ULHIGA, including health plans, fraternal benefit societies, state pooling plans and mutual assessment companies.

**LIMITS ON AMOUNT OF COVERAGE**

Caps are placed on the amount ULHIGA will pay. These caps apply even if you are insured by more than one policy issued by the insolvent company. The maximum ULHIGA will pay is the amount of your coverage or $500,000 — whichever is lower. Other caps also apply:

- $100,000 in net cash surrender values.

- $500,000 in life insurance death benefits (including cash surrender values).

- $500,000 in health insurance benefits.

- $200,000 in annuity benefits — if the annuity is issued to and owned by an individual or the annuity is issued to a pension plan covering government employees.

- $5,000,000 in annuity benefits to the contract holder of annuities issued to pension plans covered by the law. (Other limitations apply).

- Interest rates on some policies may be adjusted downward.
DISCLAIMER

PLEASE READ CAREFULLY:

· COVERAGE FROM ULHIGA MAY BE UNAVAILABLE UNDER THIS POLICY. OR, IF AVAILABLE, IT MAY BE SUBJECT TO SUBSTANTIAL LIMITATIONS OR EXCLUSIONS. THE DESCRIPTION OF COVERAGE CONTAINED IN THIS DOCUMENT IS AN OVERVIEW. IT IS NOT A COMPLETE DESCRIPTION. YOU CANNOT RELY ON THIS DOCUMENT AS A DESCRIPTION OF COVERAGE. FOR A COMPLETE DESCRIPTION OF COVERAGE, CONSULT THE UTAH CODE, TITLE 31A, CHAPTER 28.

· COVERAGE IS CONDITIONED ON CONTINUED RESIDENCY IN THE STATE OF UTAH.

· THE PROTECTION THAT MAY BE PROVIDED BY ULHIGA IS NOT A SUBSTITUTE FOR CONSUMERS’ CARE IN SELECTING AN INSURANCE COMPANY THAT IS WELL-MANAGED AND FINANCIALLY STABLE.

· INSURANCE COMPANIES AND INSURANCE AGENTS ARE REQUIRED BY LAW TO GIVE YOU THIS NOTICE. THE LAW DOES, HOWEVER, PROHIBIT THEM FROM USING THE EXISTENCE OF ULHIGA AS AN INDUCEMENT TO SELL YOU INSURANCE.

Form G.23000-B
A. Statements Made by You Which Relate to Insurability

Any statement made by you will be deemed a representation and not a warranty.

No such statement made by you which relates to insurability will be used:

1. in contesting the validity of the benefits with respect to which such statement was made; or

unless the conditions listed in items (a) and (b) below have been met:

   a. The statement must be contained in a written application which has been signed by you.

   b. A copy of the application or enrollment form has been furnished to you or to your personal representative.

No such statement made by you will be used at all after such benefits have been in force prior to the contest for a period of two years during the lifetime of the person to whom the statement applies.

B. Assignment

This certificate may not be assigned by you. Your benefits may not be assigned prior to a loss.

For Texas Residents: Upon receipt of services for a Covered Dental Expense, you may assign Dental Expense Benefits to the Dentist providing such care.
If we pay Dental Expense Benefits to you for expenses incurred on your own account or on account of a Dependent, and it is found that we paid more Dental Expense Benefits to you than we should have paid because:

1. all or some of those expenses were not paid for by the Covered Persons in your Family; or

2. any Covered Person in your Family was repaid for all or some of those expenses by a source other than from:
   a. an insurer under a policy of insurance issued to you in your name; and
   b. an insurer under a policy of insurance issued to a Covered Person in your Family who ordinarily lives in your home; and
   c. us;

we will have the right to a refund from you. The amount of the refund is the difference between:

1. the amount of Dental Expense Benefits paid by us for those expenses; and

2. the amount of Dental Expense Benefits which should have been paid by us for those expenses.

C. Additional Provisions

1. The benefits under This Plan do not at any time provide paid-up insurance, or loan or cash values.

Such rules include time frames during which you may make a request to be covered or to change your benefits under This Plan as set forth below. Such rules also establish a time frame for when changes in the amount of your benefits are made as a result of a change in your class or earnings. Your Employer can provide you with more information regarding the flexible benefits plan. In order to become covered for Personal Benefits under This Plan, you must make a written request to the Employer on the flexible benefits enrollment form furnished by the Employer.

3. If you make a request to be covered for Personal Benefits or a request for change(s) in Personal Benefits within thirty-one days of a Qualifying Event, your Personal Benefits or the change(s) in Personal Benefits will become effective on the first day of the month following the date of your request, provided that the change in coverage is consistent with your new family status.

4. If you make a request to be covered for Personal Benefits during an annual enrollment period, but after your Personal Benefits Eligibility Date, your Personal Benefits will become effective on the first day of the calendar month following the annual enrollment period.

5. If you make a request to change your Personal Benefits during an annual enrollment period, your Personal Benefits will become effective on the first day of the calendar month following the annual enrollment period.

A. DEFINITIONS

"Covered Dental Expense" means:

1. For In-Network Benefits

   The charges based on the Preferred Dentist Program Table of Maximum Allowed Charges for the types of dental services shown in section C. These services must be:

   a. performed or prescribed by a Dentist who is a Participating Provider; and

   b. necessary (see NOTICES) as determined by Metropolitan in terms of generally accepted dental standards.

   No more than the Maximum Allowed Charge for the types of dental services shown in section C will be covered by the Dental Expense Benefits. The Maximum Allowed Charge is the lower of:

   a. the amount charged by the Participating Provider for the service or supply; and

   b. the maximum amount that the Participating Provider agreed with us to charge for that service or supply. This maximum amount is specified or based on the amounts specified in the Preferred Dentist Program Table of Maximum Allowed Charges.

2. For Out-of-Network Benefits

   The charges for the types of dental services shown in section C. These services must be:

   a. performed or prescribed by a Dentist who is not a Participating Provider; and
b. necessary (see NOTICES) as determined by Metropolitan in terms of generally accepted dental standards.

No more than the Reasonable and Customary Charge for the types of dental services shown in section C will be covered by the Dental Expense Benefits. The Reasonable and Customary Charge is the lowest of:

a. the usual charge by the Dentist or other provider of the services or supplies for the same or similar services or supplies; or

b. the usual charge of most other Dentists or other providers in the same geographic area for the same or similar services or supplies; or

c. the actual charge for the services or supplies.

There may be more than one way to treat a dental problem. If, in our view, an adequate method or material which costs less could have been used, the Dental Expense Benefits will be based on the method or material which costs less. The rest of the cost will not be a Covered Dental Expense. See section E for examples that show how this works.

"Deductible Amount" means the amount shown in the SCHEDULE OF BENEFITS. The Deductible Amount is an annual amount.

The Deductibles during any one Dental Expense Period will not apply to Covered Dental Expenses for your Family after you incur Covered Dental Expenses for Covered Persons in your Family and those expenses equal the Family Deductible Amount.

"Dental Expense Period" means a twelve month period beginning with July 1 and ending on the day before the next following July 1.

"Dentist" means a person licensed by law to practice dentistry. A type of dental service which is performed or prescribed by a Doctor will be considered for Dental Expense Benefits as if it were performed or prescribed by a Dentist.
"Covered Percentage" means the percentage or percentages shown in the SCHEDULE OF BENEFITS.

"In-Network Benefits" means the Dental Expense Benefits provided under This Plan for covered dental services that are provided by a Dentist who is a Participating Provider.

"Out-of-Network Benefits" means the Dental Expense Benefits provided under This Plan for covered dental services that are not provided by a Dentist who is a Participating Provider.

"Preferred Dentist Program Table of Maximum Allowed Charges" means our fee agreement with a Participating Provider in which such Participating Provider has agreed to accept a schedule of maximum fees as payment in full for services rendered.

"Preferred Dentist Program" means our program to offer a Covered Person the opportunity to receive dental care from Dentists who are designated by us as Participating Providers. When dental care is given by Participating Providers, the Covered Person will generally incur less out-of-pocket cost for the services rendered.

"Participating Provider" means a Dentist who has been selected by us for inclusion in the Preferred Dentist Program. These Participating Providers agree to accept our Preferred Dentist Program Table of Maximum Allowed Charges as payment in full for services rendered.

"Non-Participating Provider" means a Dentist who is not a Participating Provider.

"Preferred Dentist Program Directory" means the list which consists of selected Dentists who:

1. are located in the Covered Person's area; and
2. have been selected by us to be Participating Providers and part of the Preferred Dentist Program. These Participating Providers agree to accept our Preferred Dentist Program Table of Maximum Allowed Charges as payment in full for services rendered.

A listing, of these Participating Providers, is available on our website at www.metlife.com/dental. The list will be periodically updated. The website also includes downloadable claim forms and other pertinent information about the Preferred Dentist Program.

B. COVERAGE

1. When Benefits May Be Payable

We will pay Dental Expense Benefits if you incur Covered Dental Expenses:

   a. for a Covered Person during a Dental Expense Period; and

   b. while you are covered for the Dental Expense Benefits for that Covered Person; and

   c. the Covered Dental Expenses are more than the Deductible Amount.

An expense is "incurred" on the date the type of dental service for which the charge is made is completed.

2. How Benefits Are Determined

Benefits will be equal to the Covered Percentage of those Covered Dental Expenses which are more than the Deductible Amount. However:

   a. The sum of all benefits for all Covered Dental Expenses incurred for a Covered Person during any one Dental Expense Period will not be more than the Maximum Benefit For One Dental Expense Period shown in the SCHEDULE OF BENEFITS; and
b. The sum of all benefits for all Covered Dental Expenses incurred for a Covered Person for orthodontic treatment during all Dental Expense Periods will not be more than the applicable Aggregate Maximum Benefit For All Dental Expense Periods as shown in the SCHEDULE OF BENEFITS.

In order to determine what are the amounts of Covered Dental Expenses, we may ask for X-rays and other diagnostic and evaluative materials. If they are not given to us, we will determine Covered Dental Expenses on the basis of the information which is available to us. This may reduce the amount of benefits which otherwise would have been payable.

3. How the Preferred Dentist Program Works

Free Choice Of A Dentist:

A Covered Person is always free to choose the services of a Dentist who is either:

a. a Participating Provider; or

b. a Provider.

Benefits under This Plan will be determined and paid in either case, except that the Covered Person will generally incur less out-of-pocket cost if a Participating Provider is chosen.

C. DENTAL SERVICES WHICH MAY BE COVERED DENTAL EXPENSES

1. Type A Expenses

a. Oral exams but not more than once every 6 months.

b. X-rays:

   i. full mouth X-rays but not more than once every 36 months; and
ii. bitewing X-rays but not more than:
   1. once every 6 months for Dependent children under 19 years of age; and
   2. once every year for all other Covered Persons.

c. Preventive treatment:
   i. scaling and polishing of teeth (oral prophylaxis) but not more than once every 6 months; and
   ii. topical fluoride treatment for a Dependent child under 19 years of age but not more than once every year.

d. Space maintainers for a Dependent child under 19 years of age.

e. Sealants which are applied to non-restored, non-decayed, first and second permanent molars only, for a Dependent child up to 16 years of age every 60 months.

2. **Type B Expenses**

   a. Amalgam or resin fillings.

   b. Extractions.

E. EXAMPLES OF ALTERNATE BENEFITS

Dental Expense Benefits will be based on the materials and method of treatment which cost the least and which, in our view, meet generally accepted dental standards.

1. Amalgam and Composite Fillings

When an amalgam filling and a composite filling are both professionally acceptable methods for filling a molar, we will base our benefit determination upon the amalgam filling which is the less costly service.
2. **Inlays, Onlays, Crowns and Gold Foil**

   If a tooth can be repaired to our satisfaction according to generally accepted dental standards by a less costly method than an inlay, onlay, crown or gold foil, Dental Expense Benefits will be based on the adequate method of repair which costs the least.

3. **Crowns, Pontics, and Abutments**

   Veneer materials may be used for front teeth or bicuspids. However, Dental Expense Benefits will be based on the adequate veneer materials which cost the least.

4. **Bridgework and Dentures**

   Dental Expense Benefits will be based on the adequate method of treating the dental arch which costs the least. In some cases removable dentures may serve as well as fixed bridgework. If dentures are replaced by fixed bridgework, the Dental Expense Benefits will be based on the cost of a replacement denture unless adequate results can only be achieved with fixed bridgework.

These are not the only examples of alternate benefits. To find out how much your Dental Expense Benefits will be, see section F.

F. **PRE-DETERMINATION OF BENEFITS**

   If a dental bill is expected to be $300 or more, before the Dentist starts the treatment, a Covered Person can find out what Dental Expense Benefits will be paid under This Plan. To do this, the Covered Person should send a claim form to us in which the Dentist tells us:

   1. the work to be done; and

   2. what the cost will be.
We will then tell the Covered Person what Dental Expense Benefits This Plan will pay. If the Covered Person does not use this method to find out what Dental Expense Benefits This Plan will pay, our decision will be final and binding with regard to what are Covered Dental Expenses and what Dental Expense Benefits This Plan will pay.

This method should not be used for:

1. emergency treatment; or
2. routine oral exams; or
3. X-rays, scaling and polishing, and fluoride treatments; or
4. dental services which cost less than $300.

G. IMPACT OF GOVERNMENT PLANS ON DENTAL EXPENSE BENEFITS

To the extent that services or supplies, or benefits for them, are available to a Covered Person under a Government Plan, as defined below, they will not be considered for Dental Expense Benefits under This Plan. This provision will apply whether or not the Covered Person is enrolled for all Government Plans for which that Covered Person is eligible.

This provision will not apply to a Government Plan if that Government Plan requires that Dental Expense Benefits under This Plan be paid first.

A "Government Plan" is any plan, program or coverage, other than Medicare:

1. which is established under the laws or the regulations of any government; or
2. in which any government participates other than as an employer.
H. DENTAL EXPENSE COVERAGE AFTER BENEFITS END

No benefits will be payable for Covered Dental Expenses incurred by a Covered Person after the Dental Expense Benefits for that person end. This will apply even if we have pre-determined benefits for dental services. However, benefits for Covered Dental Expenses incurred for a Covered Person for the following services will be paid after Dental Expense Benefits end:

1. For a prosthetic device if:
   a. the Dentist prepared the abutment teeth and made impressions while Dental Expense Benefits for the Covered Person were in effect; and
   b. the device is installed within 31 days after the date the Dental Expense Benefits end; or

2. For a crown if:
   a. the Dentist prepared the tooth for the crown while the Dental Expense Benefits for the Covered Person were in effect; and
   b. the crown is installed within 31 days after the date the Dental Expense Benefits end; or

3. For root canal therapy if:
   a. the Dentist opened the tooth while the Dental Expense Benefits for the Covered Person were in effect; and
   b. the treatment is finished within 31 days after the date the Dental Expense Benefits end.

I. PAYMENT OF BENEFITS

Dental Expense Benefits will be paid to:

1. the Dentist, if you have assigned benefits directly to the Dentist; or

2. you, in all other cases.
We will pay benefits when we receive satisfactory written proof of your claim. Proof must be given to us not later than 90 days after the end of the Dental Expense Period in which the Covered Dental Expenses were incurred. If proof is not given on time, the delay will not cause a claim to be denied or reduced as long as proof is given as soon as possible.

WHEN BENEFITS END

A. All of your benefits will end on the last day of the calendar month in which your employment ends. Your employment ends when you cease Active Work as an Employee. However, for the purpose of benefits, the Employer may deem your employment to continue for certain absences. See CONDITIONS UNDER WHICH YOUR ACTIVE WORK IS DEEMED TO CONTINUE.

B. If This Plan ends in whole or in part, your benefits which are affected will end.

C. Your Dependent Benefits will end on the earlier of:
   1. the last day of the month coincident with the date that the Dependent ceases to be your Dependent; or
   2. the date of your death.

D. If a Covered Person does not make a payment which is required by the Employer to the cost of any benefits, those benefits will end; they will end on the last day of the period for which a payment required by the Employer was made.

The end of any type of benefits on account of a Covered Person will not affect a claim which is incurred before those benefits ended.

Form G.23000-F
CONDITIONS UNDER WHICH YOUR ACTIVE WORK IS DEEMED TO CONTINUE

If you are not Actively at Work as an Employee because of a situation set forth below, the Employer may deem you to be in Active Work as an Employee only for the purpose of continuing your employment and only for the periods specified below in order that certain of your benefits under This Plan may be continued.

All such benefits will be subject to prior cessation as set forth in WHEN BENEFITS END.

In any case, the benefits will end on:

1. the date the Employer notifies us that your benefits are not to be continued; or

2. the end of the last period for which the Employer has paid premiums to us for your benefits.

Your Sickness or Injury, Your Leave of Absence, Your Lay Off

With respect to all Personal Benefits and all Dependent Benefits, the period determined in accordance with the Employer's general practice for an Employee in your job class.

However, in the event the leave qualifies under the Family and Medical Leave Act of 1993 (FMLA), the period cannot be longer than 12 weeks in any 12 month period following the date the leave of absence begins.

Form G.23000-L
A. Definitions

"Plan" means a plan which provides benefits or services for, or by reason of, dental care and which is:

1. a group insurance plan; or

2. a group blanket plan, but not including school accident-type coverages covering students in:
   a. a grammar school;
   b. a high school; or
   c. a college;

   for accident only (including athletic injuries) either on a 24 hour basis or on a “to and from school basis”; or

3. a group practice plan; or

4. a group service plan; or

5. a group prepayment plan; or

6. any other plan which covers people as a group; or

7. a governmental program or coverage required or provided by any law, except Medicaid.

Each policy, contract or other arrangement for benefits or services will be treated as a separate Plan. Each part of such a Plan which reserves the right to take the benefits or services of other Plans into account to determine its benefits will be treated separately from those parts which do not.
"This Plan" means only those parts of This Plan which provide benefits or services for dental care. The provisions of This Plan which limit benefits based on benefits or services provided under:

1. Government Plans; or

2. Plans which the Employer (or an affiliate) contributes to or sponsors;

will not be affected by these Coordination of Benefits provisions.

"Primary Plan/Secondary Plan" When This Plan is a Primary Plan, it means that This Plan's benefits are determined:

1. before those of the other Plan; and

2. without considering the other Plan's benefits.

When This Plan is a Secondary Plan, it means that This Plan's benefits:

1. are determined after those of the other Plan; and

2. may be reduced because of the other Plan's benefits.

When there are more than two Plans covering the person, This Plan may be a Primary Plan as to one or more of those other Plans and may be a Secondary Plan as to a different Plan or Plans.

"Allowable Expense" means any reasonable and customary charge which meets all of the following tests:

1. it is a charge for an item of necessary dental expense; and

2. it is an expense which a Covered Person must pay; and

3. it is an expense at least a part of which is covered under at least one of the Plans which covers the person for whom claim is made.

When a Plan provides fixed benefits for specified events or conditions rather than benefits based on expenses, any benefits under that Plan will be deemed to be Allowable Expenses.
When a Plan provides benefits in the form of services rather than cash payment, the reasonable cash value of each service rendered will be deemed to be both an Allowable Expense and a benefit paid.

However, Allowable Expenses do not include:

a. expenses for services rendered because of:
   1. an Occupational Sickness; or
   2. an Occupational Injury.

b. any amount of benefits reduced under a Primary Plan because the Covered Person does not comply with the Plan provisions. Examples of such provisions are those related to:
   1. second surgical opinions;
   2. precertification of admissions or services; and
   3. preferred provider arrangements.

Only benefit reductions based upon provisions similar in purpose to those described in the prior sentence and which are contained in the Primary Plan may be excluded from Allowable Expenses. This provision will not be used by a Secondary Plan to refuse to pay benefits because a Health Maintenance Organization member has elected to have health care services provided by a non-HMO provider and the HMO, pursuant to its contract, is not obliged to pay for providing those services.

"Claim Determination Period" means a period which starts on any January 1 and ends on the next December 31. However, a Claim Determination Period for any Covered Person will not include periods of time during which that person is not covered under This Plan.
"Custodial Parent" means a parent awarded custody by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than half of the calendar year without regard to any temporary visitation.

B. Effect on Benefits

1. When there is a basis for a claim under This Plan and another Plan, This Plan is a Secondary Plan which has its benefits determined after those of the other Plan, unless:

   a. the other Plan has rules coordinating its benefits with those of This Plan; and

   b. both those rules and This Plan's rules in subsection 3 of this Section B require that This Plan's benefits be determined before those of the other Plan.

2. If This Plan is a Secondary Plan, when the total Allowable Expenses incurred for a Covered Person in any Claim Determination Period are less than the sum of:

   a. the benefits that would be payable under This Plan without applying this Coordination of Benefits provision; and

   b. the benefits that would be payable under all other Plans without applying Coordination of Benefits or similar provisions;

the benefits described in item 2(a) of this section B will be reduced. The sum of these reduced benefits plus all benefits payable for such Allowable Expenses under all other Plans will not exceed the total of the Allowable Expenses. Benefits payable under all other Plans include all benefits that would be payable if the proper claims had been given on time.

When the benefits of This Plan are reduced as described above, each benefit is reduced in proportion. It is then charged against the benefit limits of This Plan.
3. **Rules for Determining the Order in which Plans Determine Benefits.** When more than one Plan covers the person for whom Allowable Expenses were incurred, the order of benefit determination is:

   a. **Non-dependent/Dependent.** The Plan which covers that person other than as a dependent (for example, as an employee, member, subscriber or retiree) determines its benefits before the Plan which covers that person as a dependent; except that if the person is also a Medicare beneficiary, and as a result of the rules established by Title XVIII of the Social Security Act and implementing regulations, Medicare is:

      i. Secondary to the Plan covering the person as a dependent; and

      ii. Primary to the Plan covering the person as other than a dependent (e.g., a retired person);

      then the benefits of the Plan covering the person as a dependent are determined before those of the Plan covering that person as other than a dependent.

   b. **Child Covered under More than One Plan.** When This Plan and another Plan cover the same child as a dependent of different persons, called "parents":

      i. the Primary Plan is the Plan of the parent whose birthday is earlier in the year if:

         1. the parents are married;

         2. the parents are not separated (whether or not they ever have been married); or

         3. a court decree awards joint custody without specifying that one party is responsible for providing health care coverage.
For example, if one parent’s birthday were January 8 and the other parent’s birthday were March 3, then the Plan covering the parent with the January 8 birthday would determine its benefits before the Plan covering the parent with the March 3 birthday.

ii. if both parents have the same date of birth (excluding year of birth), the Plan which covered the parent for the longer time determines its benefits before the Plan which covered the other parent for the shorter time.

iii. if the specific terms of a court decree state that one of the parents is responsible for the child’s healthcare expenses or healthcare coverage and the Plan of that parent has actual knowledge of those terms, that Plan is Primary. This paragraph does not apply with respect to any Claim Determination Period during which any benefits are actually paid or provided before that Plan has that actual knowledge of the terms of the court decree.

iv. if the parents are not married or are separated (whether or not they have ever been married) or are divorced, the order of benefits is:

1. the Plan of the Custodial Parent;
2. the Plan of the spouse of the Custodial Parent;
3. the Plan of the Non-Custodial Parent;
4. the Plan of the spouse of the Non-Custodial Parent.

c. Active/Laid-off or Retired Employee. The Plan which covers that person as an active employee (or as that employee’s dependent) is Primary to a Plan which covers that person as a laid-off or retired employee (or as that employee’s dependent). If the Plan which covers that person has not adopted this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule shall not apply.
d. **Continuation Coverage.** The Plan which covers the person as an active employee, member or subscriber (or as that employee's dependent) is Primary to a Plan which covers that person under a right of continuation pursuant to federal law (e.g., COBRA) or state law. If the Plan which covers that person has not adopted this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule d. shall not apply.

e. **Longer/Shorter Time Covered.** If none of the above rules determines the order of benefits, the Plan which has covered the Employee for the longer time determines its benefits before the Plan which covered that person for the shorter time.

C. **Right to Receive and Release Needed Information**

Certain facts are needed to apply these Coordination of Benefits rules. We have the right to decide which facts we need. We may get facts from or give them to any other organization or person. We need not tell, nor get the consent of, any person or organization to do this. To obtain all benefits available, a claim should be filed under each Plan which covers the person for whom Allowable Expenses were incurred. Each person claiming benefits under This Plan must give us any facts we need to pay the claim.

D. **Facility of Payment**

A payment made under another Plan may include an amount which should have been paid under This Plan. If it does, we may pay that amount to the organization which made that payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable cash value of the benefits provided in the form of services.
E. Right of Recovery

If the amount of the payments made by us is more than we should have paid under this Coordination of Benefits provision, we may recover the excess from one or more of:

1. the persons we have paid or for whom we have paid;

2. insurance companies; or

3. other organizations.

The "amount of the payment made" includes the reasonable cash value of any benefits provided in the form of services.

NOTICES

This certificate is of value to you. It should be kept in a safe place.

As soon as your benefits end, you should consult your Employer to find out what rights, if any, you may have to continue your protection.

The fact that a Dentist may recommend that a Covered Person receive a dental service does not mean:

1. that the dental service will be deemed to be necessary; or

2. that benefits under This Plan will be paid for the expenses of the dental service.

Metropolitan will make the decision as to whether the dental service:

1. is necessary in terms of generally accepted dental standards; and

2. is qualified for benefits under This Plan.

Our Home Office is located at One Madison Avenue, New York, New York 10010.

Form G.23000-E
NOTICE OF YOUR RIGHT AND YOUR DEPENDENTS’ RIGHT TO CONTINUE DENTAL BENEFITS

When your employment terminates for any reason other than your gross misconduct, or if your hours worked are reduced so that your coverage terminates, you and your covered dependents may continue coverage under This Plan for a period of up to 18 months. However, if it is determined under the terms of the Social Security Act that you or your covered dependent is disabled within 60 days after your termination of employment or reduction of hours, you and your covered dependents may continue your dental coverage under This Plan for an additional 11 months after the expiration of the 18 month period. During the additional 11 months of coverage, your cost for that coverage will be approximately 50% higher than it was during the preceding 18 months. In addition, if you should die, become divorced or legally separated, or become eligible for Medicare, your covered dependents may continue coverage under This Plan for up to 36 months. Also, your covered children may continue coverage under This Plan for up to 36 months after they no longer qualify as covered dependents under the terms of This Plan.

During the continuation period, a child of yours that is (1) born; (2) adopted by you; or (3) placed with you for adoption, will be treated as if the child were a covered dependent at the time coverage was lost due to an event described above.

This continuation will terminate on the earliest of:

1. the end of the 18, 29 or 36 month continuation period, as the case may be;
2. the date of expiration of the last period for which the required payment was made;

3. the date, after a Covered Person elects to continue coverage, that the Covered Person first becomes covered under another group health plan as long as the new plan does not contain any exclusion or limitation with respect to any preexisting condition on the Covered Person;

4. the date This Plan is cancelled.

Notice will be given when you or your covered dependents become entitled to continue coverage under the Plan. You, or they, will then have at least 60 days to elect to continue coverage. However, you or your covered spouse or your covered child must notify the Employer within 60 days in the event you receive a determination of disability under the terms of the Social Security Act, you become divorced or legally separated, or when your dependent child no longer qualifies as a covered dependent under This Plan.

Any person who elects to continue coverage under the Plan must pay the full cost of that coverage (including both the share you now pay and the share your Employer now pays), plus any additional amounts permitted by law. Your payments for continued coverage must be made on the first day of each month in advance.

Claim Submission

For claims for dental expense benefits, the claimant must complete the appropriate claim form and submit the required proof as described in the “Claim Procedure” section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

Initial Determination

After you submit a claim for dental expense benefits to MetLife, MetLife will review your claim and notify you of its decision to approve or deny your claim.

Such notification will be provided to you within a 30 day period from the date you submitted your claim; except for situations requiring an extension of time of up to 15 days because of matters beyond the control of the Plan. If MetLife needs such an extension, MetLife will notify you prior to the expiration of the initial 30 day period, state the reason why the extension is needed, and state when it will make its determination. If an extension is needed because you did not provide sufficient information or filed an incomplete claim, the time from the date of MetLife’s notice requesting further information and an extension until MetLife receives the requested information does not count toward the time period MetLife is allowed to notify you as to its claim decision.
You will have 45 days to provide the requested information from the date you receive the notice requesting further information from MetLife.

If MetLife denies your claim in whole or in part, the notification of the claims decision will state the reason why your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criterion was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that you may request a copy free of charge.

Appealing the Initial Determination

If MetLife denies your claim, you may make two appeals of the initial determination. Upon your written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim. You must submit your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife’s decision. Appeals must be in writing and must include at least the following information:

- Name of Employee
- Name of the Plan
- Reference to the initial decision
- Whether the appeal is the first or second appeal of the initial determination
- An explanation why you are appealing the initial determination

As part of each appeal, you may submit any written comments, documents, records, or other information relating to your claim.

After MetLife receives your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of your claim. Deference will not be given to initial denials, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that you submit relating to your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review your appeal will not be the same person as the person who made the initial decision to
deny your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify you in writing of its final decision within 30 days after MetLife's receipt of your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify you prior to the expiration of the initial 30 day period, state the reason(s) why such an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send you a final written decision that states the reason(s) why the claim you appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that you may request a copy free of charge. Upon written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim.

When the claim has been processed, you will be notified of the benefits paid. If any benefits have been denied, you will receive a written explanation.

**Discretionary Authority of Plan Administrator and Other Plan Fiduciaries**

In carrying out their respective responsibilities under the Plan, the Plan administrator and other Plan fiduciaries shall have discretionary authority to interpret the terms of the Plan and to determine eligibility for and entitlement to Plan benefits in accordance with the terms of the Plan. Any interpretation or determination made pursuant to such discretionary authority shall be given full force and effect, unless it can be shown that the interpretation or determination was arbitrary and capricious.
STATEMENT OF ERISA RIGHTS

The following statement is required by federal law and regulation.

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all participants shall be entitled to:

**Receive Information About Your Plan and Benefits**

Examine, without charge, at the Plan administrator's office and at other specified locations, all Plan documents governing the Plan, including insurance contracts and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Pension and Welfare Benefit Administration.

Obtain, upon written request to the Plan administrator, copies of documents governing the operation of the Plan, including insurance contracts and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan administrator is required by law to furnish each participant with a copy of this summary annual report.

**Continue Group Dental Plan Insurance**

Continue dental insurance for yourself, spouse or dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description and the documents governing the Plan on the rules governing your COBRA continuation coverage rights.

**Prudent Actions by Plan Fiduciaries**

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries.
No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

**Enforce Your Rights**

If your claim for a welfare benefit is denied or ignored in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan administrator to provide the materials and pay you up to $110.00 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court.

In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court.

If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court.

The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees.

If you lose, the court may order you to pay these costs and fees; for example, if it finds your claim is frivolous.

**Assistance with Your Questions**

If you have any questions about your Plan, you should contact the Plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan administrator, you should contact the nearest office of the Pension and Welfare Benefits Administration, U.S.
Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Pension and Welfare Benefits Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Pension and Welfare Benefits Administration.
