WRITTEN AFFIRMATIVE ACTION COMPLIANCE PROGRAM
The Contractor certifies that if it has 50 or more employees and if it anticipates sales to us in connection with government contracts of $50,000 or more, it will develop a written affirmative action compliance program for each of its establishments consistent with the rules and regulations published by the Department of Labor in 41 Code of Federal Regulations (hereinafter referred to as “C.F.R.”) 60-2.

EE0-1 REPORT
The Contractor certifies that if it has 50 or more employees and if it anticipates sales to us in connection with Government contracts of $50,000 or more, it will file Standard Form 100 entitled: “Equal Employment Opportunity Employer Information Report EEO-1” as required by 41 C.F.R. Section 60-1.7.

EMPLOYMENT OF THE DISABLED
Pursuant to Section 503 of the Rehabilitation Act of 1973, and under 41 C.F.R. 60-741, the affirmative action clause set forth in section 741.4 of the regulations is considered to be included in every federal contractor subcontract exceeding $10,000.

Therefore, unless exempt, the Contractor certifies that it will take affirmative action to employ and advance in employment any qualified disabled individual, defined as “Any individual who has a physical or mental disability which for such individual constitutes or results in a substantial disability to employment.”

The Equal Opportunity Clause may be put into subcontracts by reference, but only by citing the Equal Opportunity Clause in the regulations and including the following sentences in bold text: This contractor and subcontractor shall abide by the requirements of 41 CFR 60-741.5(a). This regulation prohibits discrimination against qualified individuals on the basis of disability, and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified individuals with disabilities.

The Contractor further certifies that it will obtain identical certifications from proposed subcontractors prior to the award of subcontracts exceeding $2,500 covering the procurement of personal property and non-personal services (including construction).

EMPLOYMENT OF PROTECTED VETERANS
41 C.F.R. 60-300 contains a clause required in every Federal invitation to bid or contract for $100,000 or more for the procurement of personal property and non-personal services (including construction), and every subcontract entered into in carrying out such contract, The clause which is included herein by reference (and which should be referred to in its entirety), requires among other things, that all suitable employment openings of the Contractor which exist at the time of the execution of the contract and those which occur during the performance of the contract, including those not generated by the contract and those occurring at an establishment of the Contractor other than the one wherein the contract is being performed but excluding those of independently operated corporate affiliates, shall be offered for listing at an appropriate local office of the State employment service system wherein the opening occurs and to provide such reports to such local office regarding employment openings and hires as may be required. The Contractor agrees to and certifies that it is in compliance with the above provision and that it will place it in any subcontract of $100,000 or more directly under this contract. Further, if required, the Contractor will annually file a VETS-4212 Report.
